Quality Policy

Sanmark Solutions (Pvt) Ltd is one of the leading Software Solutions Providers in Sri Lanka. We conduct our operational activities at each step of providing the best and most sophisticated service to our local and international clients by considering the requirements of the ISO 9001:2015 international standard and by complying with applicable regulatory requirements. Our mission is to provide the best service in Designing and Developing Software Solutions for our clients toward their ultimate satisfaction.

Sanmark Solutions (Pvt) Ltd works towards continuous improvement, considering internal and external operational issues, risks, and opportunities related to quality and a safe environment in order to fulfil the needs and expectations of our interested parties.

We effectively utilize the best communication processes to enhance the knowledge and skills of our workforce with international exposure.

W.M. Kosala Indrasiri
